Privacy statement

This form contains information identifying you and is defined as personal information under the NSW *Privacy and Personal Information Protection Act 1998*. Your personal information is being collected to allow the department to administer the commercial Kangaroo Management Program under the *Biodiversity Conservation Act 2016*, including reporting, auditing and compliance.

The department will hold your personal information in a secure, government-accredited database, and may only be shared with other government agencies to regulate compliance with the Kangaroo Management Program. You may access and amend your personal information by contacting the department.

Evidence documents

Document	Benefits	Limitations
Local Land Services Rates notice	Shows ownership, property address and size	
Council rates notices	shows ownership and property address	Usually does not provide the size of the property
Map of the property with Lot/DP number to locate the property	Good for property size Readily available	Not official government documents – usually requires separate verification of details
Contract of sale	Shows ownership, address and size	Must be recent and signed

How to submit

Submit via the [Wildlife Management System](#) – only available to Licensed Harvesters.
