Fee changes for 2019 - 2020

The 2019-20 fees for the Biodiversity Offsets Scheme have changed to be in line with the Consumer Price Index (CPI) as per the regulation. The fees have increased by 1%. Details of the changes are available on the [OEH website](#).

In accordance with these changes, the Total Fund Deposit Calculator has been amended to incorporate the updated fees. The updated spreadsheet is available on the [OEH website](#).

Please use the updated figures in all transactions from 1 July 2019 onwards.
