General Licence to Harm Protected Animals (site specific)

Biodiversity Conservation Act 2016

Licence conditions

1. For the purposes of this licence the term:
 - a. NPWS means: the NSW National Parks and Wildlife Service
 - b. Licensee means: the person holding the licence
 - c. Harm animals means: kill, injure or capture the animal, but does not include harm by changing the habitat of an animal.
2. Only the species listed on the relevant Landholder's Licence can be harmed.
3. The number of animals which can be harmed under this licence in addition to those taken by other licensees (if any) must not exceed the number indicated on the relevant Landholder's Licence.
4. The licensee must read, understand and comply with the conditions specified on the relevant Landholder's Licence.
5. For reporting purposes, the licensee must ensure information relating to the species, date and number of animals harmed is given to the relevant Landholder's Licence holder.
6. The licensee must carry this licence whilst harming animals under a Landholder's Licence and produce the licence upon request to NPWS.
7. This licence is not transferrable.

Under Section 2.14 of the *Biodiversity Conservation Act 2016* it is an offence to contravene or fail to comply with a condition of this licence.

Warning: It is the licence holder's responsibility to ensure they are familiar with any other statutory or regulatory provisions relevant to this licence such as local council requirements, the NSW *Firearms Act 1996* and *Prevention of Cruelty to Animals Act 1979*.
